

Behind House Schütting the *Böttcherstrasse*, recent creation of a Bremen merchant, branches off. It is of great interest both architecturally and from the point of street-planning.

B R E M E N

The *Böttcherstrasse* in Bremen is a center of both, old and modern North-German art as well as a meeting place of Bremen's international visitors. It comprises *famous ART COLLECTIONS*, modern ART WORKSHOPS and several RESTAURANTS which are known for the high quality of their food. A new building is at present constructed, which will contain a prehistoric collection and be the residence of the "BREMER GESELLSCHAFT OF 1914", an exclusive club and of THE DEPARTMENT FOR TRADE OF THE FOREIGN OFFICE, which at present is located in the *Martinistrasse*.

Glimpses of the *Böttcherstrasse*
